

Slide 4

**Why did we start MTSS?**

- AYP standards keep rising
- How do we meet the needs of those not meeting standards and keep challenging those who have?
- We find support for the lowest and highest but what about those that just need a little help?

Slide 5

**What is one detail that has made a difference?**

- Flexibility
- Ownership
- Time
- Using data
- Administrative support

Slide 6

**What we underestimated in terms of staff development?**

- The variety of our adult “learners”
- Time needed to share

If only we'd known . . .

- How it can really make a difference for THOSE kids
- How vital training is for everyone
- How it bridges the gap between SPED and Regular Ed.
- How the data can get the Tier 3 interventions in place early
